Who is RentPlanet™ for

RentPlanet is a web platform for the on-line rental of the apartments and a professional company whose business activity is the management of property rental in Wroclaw, Cracow, Poznan, Zakopane, Szklarska Poreba and Swieradow Zdroj.

Our offer is also directed to property owners.

Thank to RentPlanet, you will earn more on short-term rental of your apartment and save time.

For the guests

Search from among hundreds of unique and comfortable apartments – find the best one and rent it.

Find an apartment

For the owners

Are you an apartment owner? Start to make money on it by entrusting it with us – we will take care of the rest.

For the owners

How do we work at RentPlanet

We professionally manage short-term rental – hand us over the keys to your apartment, and we will take care of the guest service, cleaning, maintenance and all settlements.

Handover

Handover – you let us manage your apartment

Preparation

Preparation – we prepare your apartment for rental

Adding to the database

Adding to the database – we add your apartment to our database and other websites

Management

Management – we manage the rental of your apartment 24/7

A hotel-like standard of your apartment

Satisfaction of our guests is a guarantee of profits from rental – therefore, we put effort into making their stay exceptional, and your apartment always perfectly ready.

Perfectly clean and nice-smelling apartment

Fresh bed linen and towels
